In the article titled “Prevalence of Stunting among Children Aged 6–23 Months in Kemba Woreda, Southern Ethiopia: A Community Based Cross-Sectional Study” [1], Dr. Meaza Demissie was missing from the authors’ list. Dr. Demissie contributed to the research methodology development, writing, editing, and commenting on the manuscript. The corrected authors’ list is shown above.

Also, the authors’ contribution section should be updated as follows: “Eskezyiaw Agedew initiated the research, wrote the research proposal, conducted the research, did data entry and analysis, and wrote the paper. Tefera Chane contributed to the designing of methodology and writing of proposal. Meaza Demissie contributed to the research methodology development, writing, editing, and commenting on the manuscript.”
