In the paper titled “Sex Steroids Effects on the Molting Process of the Helminth Human Parasite *Trichinella spiralis*,” Biomedicine and Biotechnology Volume 2011, Article ID 625380, 10 pages doi: 10.1155/2011/625380, in the Acknowledgments section (page 8), an antibody donation has been left out, so it should be disclosed. It is corrected as follows.

Acknowledgments

Financial support was provided by Grant no. IN 214011-3 from the Programa de Apoyo a Proyectos de Innovación Tecnológica, Dirección General de Asuntos del Personal Académico, UNAM. The publication costs of this paper were paid by RedFarmed-CONACYT. R. Hernández-Bello has a postdoctoral fellowship from the Instituto de Ciencia y Tecnología del Distrito Federal (ICyT) and from Red Farmed-CONACYT. K. Nava-Castro has a postdoctoral fellowship from Dirección General de Asuntos del Personal Académico. The *T. spiralis* strain and the anti-caveolin antibody were kindly provided by Dr. Guadalupe Ortega-Pierres, from Departamento de Genética y Biología Molecular, CINVESTAV, IPN.
