In the article titled “Effects of *Withania somnifera* on Reproductive System: A Systematic Review of the Available Evidence [1],” there were errors in the Results section and Figure 1, which should be corrected as follows:

In the Results section, the sentence “Of 459 recognized studies, 42 studies were included in the present study” should be “Of 190 recognized studies, 42 studies were included in the present study”.

In Figure 1, “Records after duplicates removed (n = 114)” should be “Records after duplicates removed (n = 144).” The corrected Figure 1 is as follows:
