CORRIGENDUM

In the December 2013 issue of the *Journal*, the reference number of the Canadian Institutes of Health Research grant was not included in the funding statement. The complete funding statement should have read:

This study was funded by grants from the Canadian Institutes of Health Research (reference number 115031), Alberta Innovates-Health Solutions (formerly Alberta Heritage Foundation for Medical Research), ArcticNet Network of Centres of Excellence, Canadian Association of Gastroenterology and AstraZeneca.
