In the paper titled “Ethanol Extract from *Ampelopsis sinica* Root Exerts Anti-Hepatitis B Virus Activity via Inhibition of p53 Pathway *In Vitro*” [1], the words “Ran Pang and Jun-Yan Tao contribute equally to this work” should be added to the footnote. Dr. Ji-Hua Dong should be included in the author’s list, because he has contributed to the scientific content of the paper. Thus, the affiliation “Central Lab, Union Hospital, Tongji Medical College, Huazhong University of Science and Technology, Wuhan, China” will be added as a new address as above.
