We have noticed a misplaced figure in our paper “Antimetastatic Potentials of *Dioscorea nipponica* on Melanoma *In Vitro* and *In Vivo*” [1]. There is an error that occurred during uploading Figure 4(e). The published microscopy image of cell invasion for treatment of *Dioscorea nipponica* ethyl acetate extracts (DNE3) on B16F10 cells is incorrect. We have attached a correct version (Figure 4(e)).
