Corrigendum

CHAIN CONDITIONS ON SEMIRINGS

T.K. MUKHERJEE, M.K. SEN and SHAMIK GHOSH

The following errors are corrected in the above paper which appeared in *International Journal of Mathematics and Mathematical Sciences*, Vol 19, No. 2 (1996) 321-326.

The following lines should be read as follows.

On page 325, line 14 from the bottom:

We first show that the condition "unital" is not essential for one part of the result below.

THEOREM 2.6 Let H be a unital half ring. Then ...

On page 325, second line from the bottom:

THEOREM 2.8. Let S be a semiring with 1. Then ...
