Special Issue on

**Computational Statistics and Data Analysis**

# CALL FOR PAPERS

Nowadays in every field/branch of applied sciences, statistical approach and analysis have come to the fore. Thus, with this special issue, we gave the statistical theory and data analysis approaches. New statistical methods and theory, applications of probability model, advanced statistical analysis, methodological developments, comparison of competing techniques, or their computational aspects will be considered for this special issue. Manuscripts improving statistical methods are especially welcomed.

Potential topics include, but are not limited to:

- ▶ Mathematical statistics
- ▶ Statistical theory
- ▶ Probability theory
- ▶ Statistical methods
- ▶ Quantitative methods
- ▶ Applied probability
- ▶ Applied statistics
- ▶ Computational statistics

Authors can submit their manuscripts via the Manuscript Tracking System at <http://mts.hindawi.com/submit/journals/ijmms/probability.statistics/csda/>.
