**NOTES FOR AUTHORS**

Two copies of articles should be submitted to the Editor. All articles should be typed in double spacing with ample margins, on one side of the paper only. The following items should be sent: (1) a title-page including a brief and informative title, avoiding the word 'new' and its synonyms; a full list of authors with their affiliations and full addresses; (2) an abstract of about 250 words – this should succinctly describe the scope of the contribution and highlight significant findings or innovations; (3) the main text; (4) appendices (if any); (5) references; (6) tables, each table on a separate sheet and accompanied by a caption; (7) illustrations (diagrams, drawings and photographs) numbered in a single sequence from 1 upwards and with the author's name on the back of every illustration; captions to illustrations should be typed on a separate sheet.

**References**

References should be indicated in the text by numbers following the author's name, i.e. Skeggs [6].

**Illustrations**

Original copies of diagrams and drawings should be supplied, and should be drawn to be suitable for reduction to the page or column width of the Journal, i.e. to 85 mm or 179 mm, with special attention to lettering size.

**Proofs and offprints**

The principal or corresponding author will be sent galley proofs for checking and will receive 50 offprints free of charge.

Manuscripts should be sent to either Dr P. B. Stockwell or Ms M. R. Stewart, see cover.
