In our review paper entitled “Bioactive Phytochemicals: Bioactivity, Sources, Preparations, and/or Modifications *via* Silver Tetrafluoroborate Mediation,” there was an error in Scheme 4, where compounds numbers **30** and **31** are duplicated. So the upper ones have been removed and those at the bottom are kept. We have now provided new corrected Scheme 4.

This correction does not change any conclusion or findings of the paper.

SCHEME 4: Condensation reaction between **28** and **29**.
