In the article titled “Institutional and Policy Assessment of Renewable Energy Sector in Afghanistan” [1], the sentence “Biomass Department at RED is the responsible department for the development of other departments involved in the sector of renewables in MEW which are Energy Policy Directorate and Energy Programming Directorate. The following are some of REDs scope of work” in Section “2.1. Ministry of Energy and Water (MEW)” should be corrected to “Other departments involved in the sector of renewables in MEW are Energy Policy and Energy Programming Directorates. The following are some of REDs scope of work.”
