In the article titled “Visual Localization by Place Recognition Based on Multifeature (D- λ LBP++HOG)” [1], Dr. Cindy Cappelle and Dr. Yassine Ruichek were missing from the authors’ list. They participated in the article writing, the data collection (data acquired with the UTBM experimental vehicles), the improvement of the proposed method, the formatting of experimental results and figures/schemas, and the analysis of the results. Additionally, the first affiliation was incorrect. The corrected authors’ list and affiliations are shown above.
