This paper entitled “Cashew nut shell waste: availability in small-scale cashew processing industries and its fuel properties for gasification” has been retracted as it was submitted for publication without the acknowledgement of Biofuel Laboratory, CIAE Bhopal. Additionally, it was found to contain a substantial amount of material from the Proceeding, S. Gangil, A. K. Dubey, Thermo Gravimetric Properties of Cashew Shell Cake Proceedings of the 44th Annual Convention & Symposium of ISAE, New Delhi, India, IARI, pp. 4.17, January 2010 [1].
