In the article titled “Statistical Analysis of Influence of Cover Depth on Loess Tunnel Deformation in NW China” [1], the authors wish to revise their acknowledgment section as follows:

“This work was financially supported by the Science and Technology Project Plan of Traffic Construction in the West of China (Nos. 2001 318 000 21, 2007 318 000 18, and 2014 318 J27 210), the Brainstorm Project on Social Development of Shaanxi Provincial Science and Technology Department (No. 2016SF-412), and National Key R&D Program of China (No. 2017YFC0805306). The article processing charge was funded by the Fundamental Research Funds for the Central Universities, Chang'an University (No. 300102219716).”

The authors agree to the publication of the corrigendum.
