Corrigendum

Corrigendum to “Effect of Magnetic Field Coupled Deep Cryogenic Treatment on Wear Resistance of AISI 4140 Steel”

In the article titled “Effect of Magnetic Field Coupled Deep Cryogenic Treatment on Wear Resistance of AISI 4140 Steel” [1], the fund number for “the Natural Science Foundation of China (NSFC)” was given incorrectly in the Acknowledgments section. The corrected section appears as follows:

Acknowledgments

This work was supported by the Natural Science Foundation of China (NSFC) (Grant no. 51675363).
