

groups	Abundance (uM)				
Rapeseed bee					
pollen group	3.87	4.50	2.92	2.15	7.44
Control group	1.10	2.37	1.61	1.50	1.54

Additional table 1 The abundance of miR-166a in mice in groups of rapeseed bee pollen or control

Additional Fig 1 The amplification curve of miR-159 (red) and miR-166a (green) by qPCR

Additional Fig 2 Standard curve of miR-166a
