In article titled “Bioinformatics Analysis Reveals the Altered Gene Expression of Patients with Postmenopausal Osteoporosis Using Liuweidihuang Pills Treatment” [1], there was an error in the affiliation details of Rui Gong and Yukun Li as shown below.

Rui Gong was only affiliated to affiliation number 1 “Hebei Medical University Endocrine Research Institute.” However, they should be affiliated to affiliations 1, 2, and 3.

Yukun Li was wrongly affiliated to affiliation number 2 “Department of Gerontology, The Third Hospital of Shijiazhuang, China.” However, they should be affiliated to affiliation number 3 “Department of Endocrinology, Third Affiliated Hospital of Hebei Medical University, China.”

The corrected authors’ list and affiliations are shown above, and it has been added in-line to the published article.
