In the article titled “Human Uterine Decidual NK Cells in Women with a History of Early Pregnancy Enhance Angiogenesis and Trophoblast Invasion” [1], the published version of Figure 2 does not match the version in the manuscript. The corrected figure is shown below and is listed as Figure 1.

FIGURE 1: Formation by HUVECs of tube structures of two groups. (a, b) Transwell migration showed the impact of dNK cells on HUVEC (c, d).
