In the article titled “Bradycardia Leading to Asystole Following Dexmedetomidine Infusion during Cataract Surgery: Dexmedetomidine-Induced Asystole for Cataract Surgery” [1], the names of some of the authors were given incorrectly as “Amaniti Aikaterini, Dalakakis Ioannis, Sapalidis Konstantinos, Grosomanidis Vasilios, and Papazisis George”. The authors’ names should have been written as “Aikaterini Amaniti, Ioannis Dalakakis, Konstantinos Sapalidis, Vasilios Grosomanidis, and Georgios Papazisis”. The revised authors’ list is shown above.
