In the article titled “A Case Report of Complete Resolution of Auricular Mucormycosis in an 18-Month-Old Diabetic Child” [1], the authors would like to correct the figure legend of Figure 2 from:

“Figure 2. CT scan showing diffuse left side periauricular swelling.” to

“Figure 2. CT scan showing diffuse right side periauricular swelling.”

The authors would additionally like to clarify that written informed consent was obtained from the parents for the publication of this case report.

The authors confirm that this does not affect the results and conclusions of the article.
