

## Timetable of tested HSR

In this table, Number “1” represents WH station, Number “2” represents GZ station and Number “3” represents CS station. In order to make computation easier, the unit of time is converted to minute, for example, “13:18” is converted to  $13*60+18=798$ .

Departure Station	Arrival Station	Departure Time	Arrival Time	Train Number
1	2	480	676	G1001
1	2	540	736	G1003
1	2	600	796	G1005
1	2	660	856	G1007
1	2	720	916	G1009
1	2	376	590	G1023
