In the paper entitled “Ameliorating Adriamycin-Induced Chronic Kidney Disease in Rats by Orally Administrated Cardiotoxin from *Naja naja atra* Venom,” there was an error in the label of Figure 1, and here we provide the right form of the label.

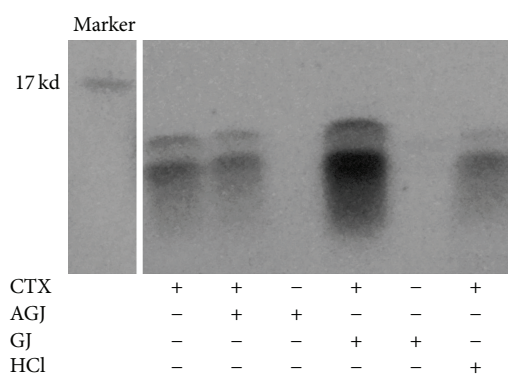

FIGURE 1: Degradation of cardiotoxin in the stomach and artificial gastric juice. The cardiotoxin was administrated into mouse stomach (2x concentration of cardiotoxin) or incubated with artificial gastric juice for 15 min. Then, the degradation of cardiotoxin was assessed by dyeing with imperial protein stain. CTX: cardiotoxin; AGJ: artificial gastric juice; GJ: gastric juice.
