In the article titled “Kuntai Capsule plus Hormone Therapy vs. Hormone Therapy Alone in Patients with Premature Ovarian Failure: A Systematic Review and Meta-Analysis” [1], errors have been identified in the forest plots (Figures 4 and 5).

The correct position of the X-axis labels, “Kuntai Capsule + Hormone” and “Hormone,” should be the opposite of their current position. The corrected Figures 4 and 5 are as follows.

FIGURE 4: Meta-analysis results for the total effective treatment rate.

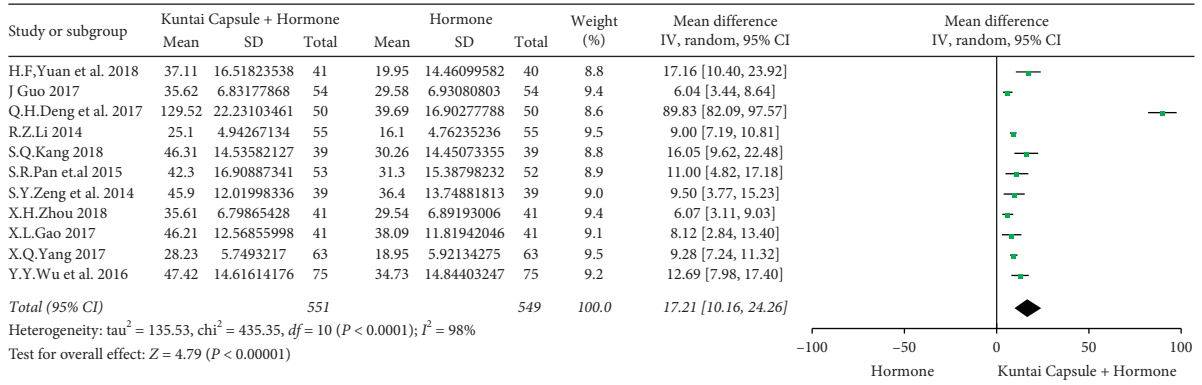

FIGURE 5: Meta-analysis results for the E2 levels.

Acknowledgments

The authors would like to acknowledge Dr. Jingyan Song and Dr. Zhengao Sun from the Shandong University of Traditional Chinese Medicine, China, for identifying this concern.
