In the article titled “Coagulation and Sedimentation of Concentrated Laterite Suspensions: Comparison of Hydrolyzing Salts in Presence of *Grewia* spp. Biopolymer” [1], Professor Sukdeb Pal and Dr. Girivyankatesh Hippargi were missing from the author list.

Professor Pal contributed to the conception and design of the study in addition to collecting, analyzing, and interpreting the data and manuscript preparation. The experimental work was carried out in CSIR-National Environmental Engineering Research Institute (CSIR-NEERI) under his supervision. Professor Pal has been added as the corresponding author.

Dr. Hippargi contributed to data collection, analysis, and interpretation.

The correct author list and affiliations are shown above.
