

Supplement Figure 1

Metabolic activity after irradiation

A) Cells without TNF-α treatment

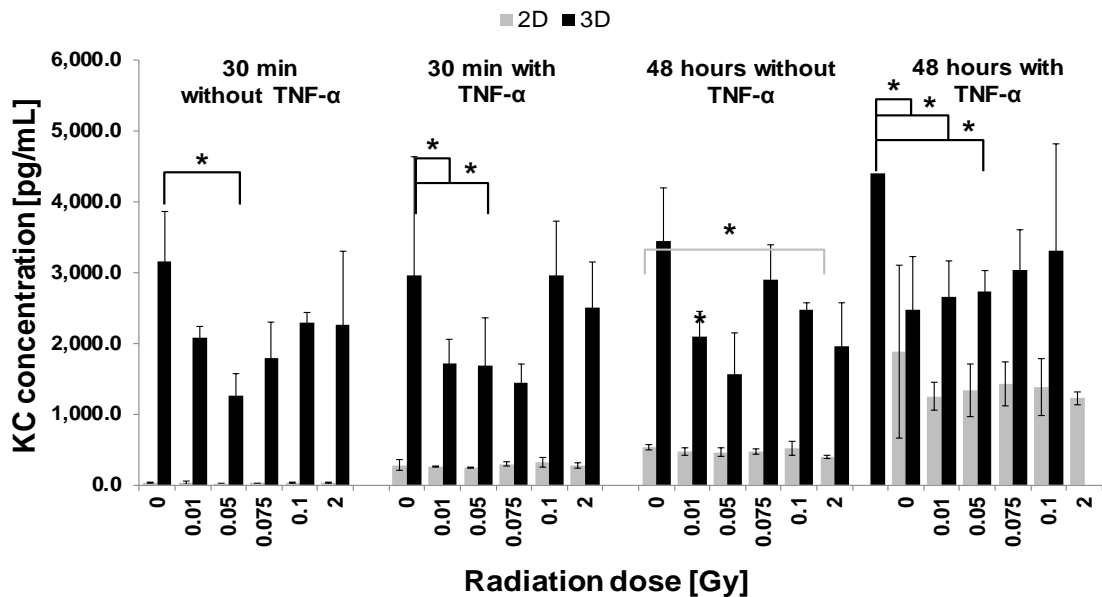

B) Cells with TNF-α treatment

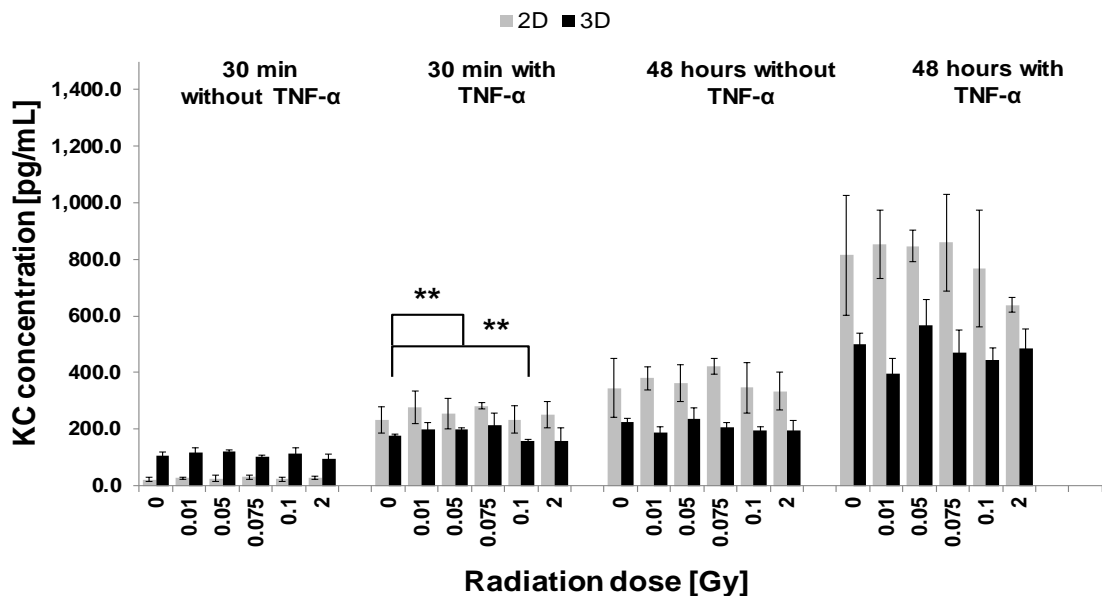

Supplement Figure 2

Release of KC after irradiation

A) mIEND.1 endothelial cells

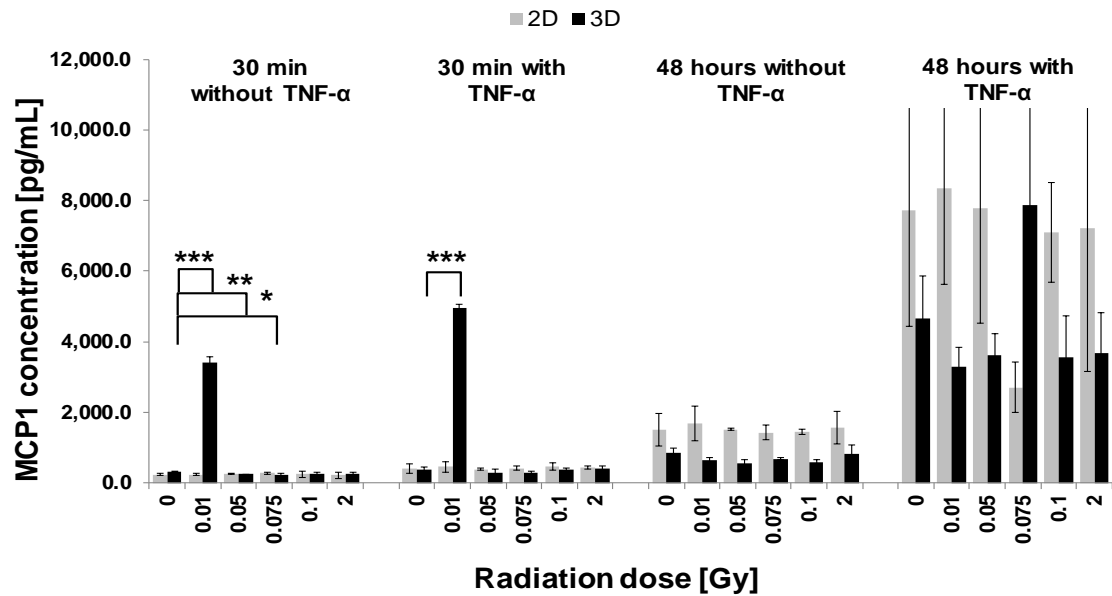

B) bEND.3 endothelial cells

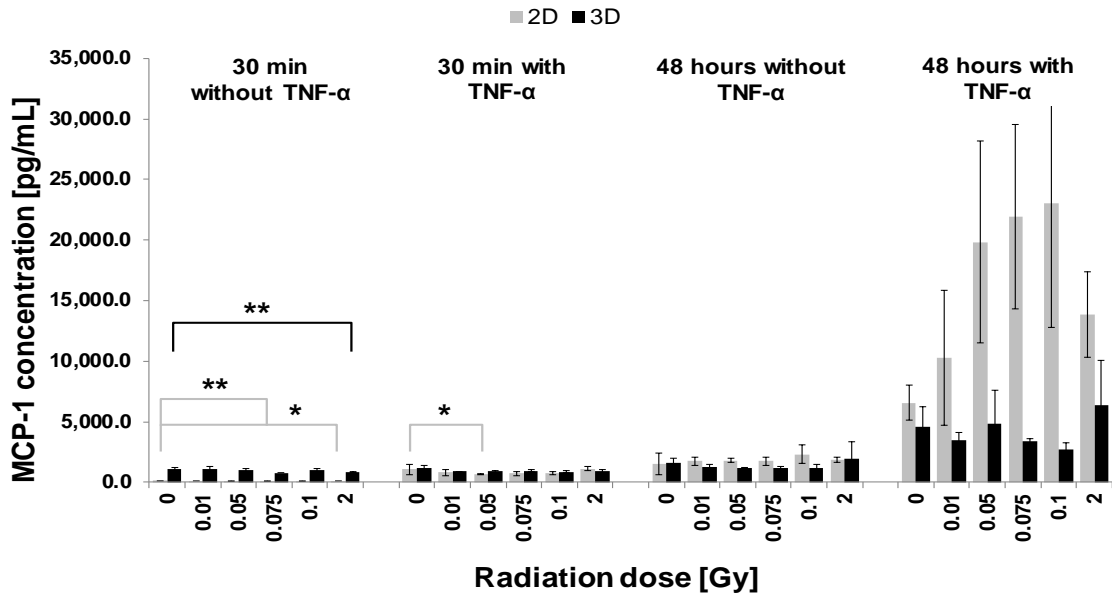

Supplement Figure 3

Release of MCP-1 after irradiation

A) H5V endothelial cells

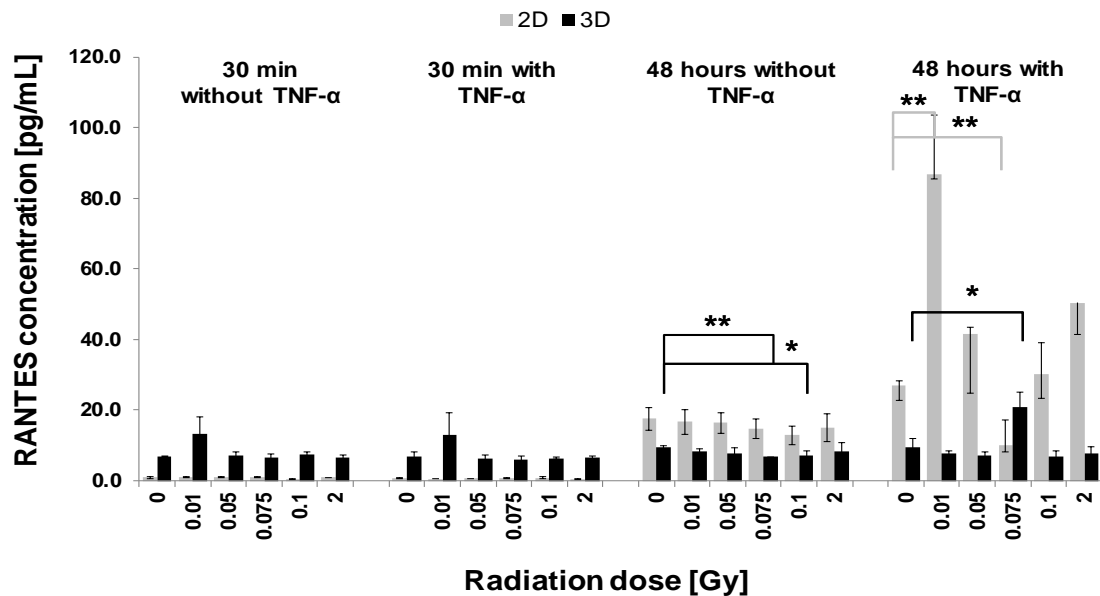

B) mIEND.1 endothelial cells

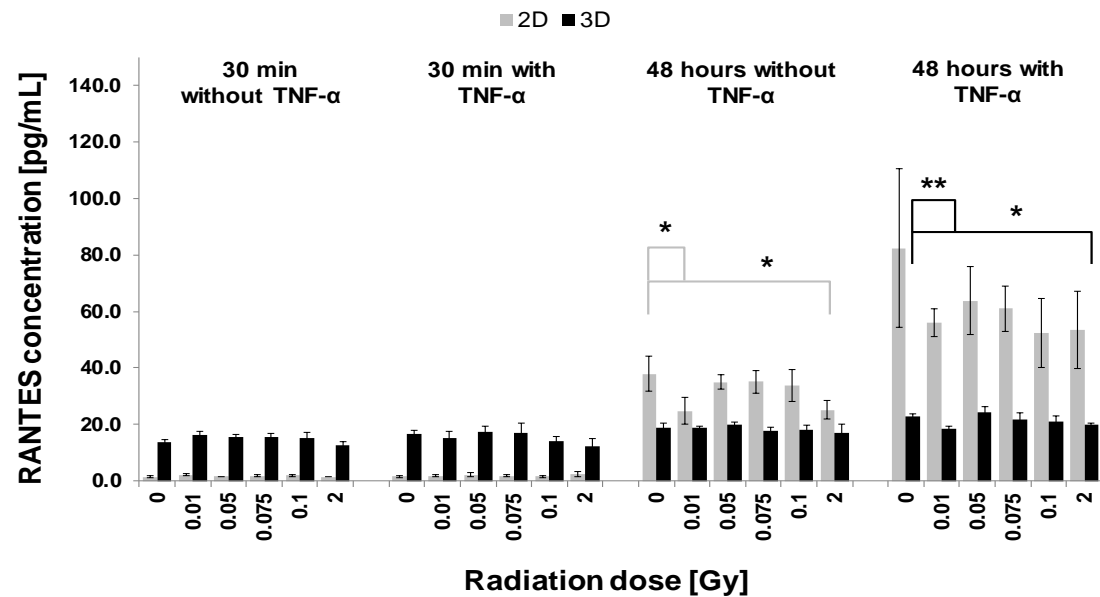

Supplement Figure 4

Release of RANTES after irradiation

A) H5V endothelial cells

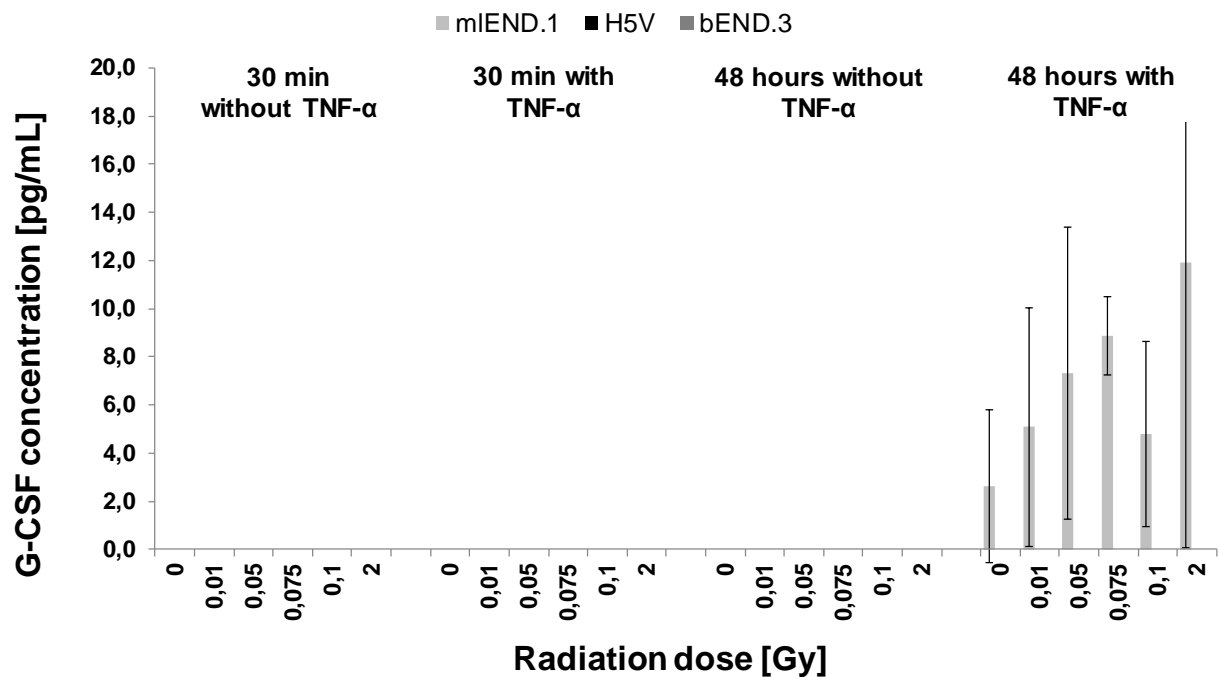

B) bEND.3 endothelial cells

Supplement Figure 5

Release of G-CSF after irradiation

A) 2D

B) 3D
