

# Generalized Synthesis of *EAs* [*E* = Fe, Co, Mn, Cr] Nanostructures and Investigating their Morphology Evolution

P. Desai<sup>1</sup>, N. Ashokaan<sup>2</sup>, M. Nath<sup>1,\*</sup>

## Supplementary Information

**Figure S1.** STEM images of the FeAs nanoparticles and histogram analysis for the size distribution of the core in these nanoparticles.

**Figure S2.** STEM images of the FeAs nanoparticles and histogram analysis for the size distribution of the core in these nanoparticles.
