

A

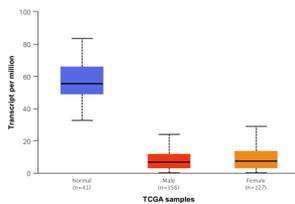

Expression of LRRC19 in COAD based on individual cancer stages

**B**

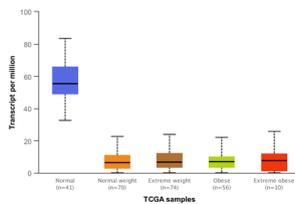

Expression of LRRC19 in COAD based on patient's race

**C**

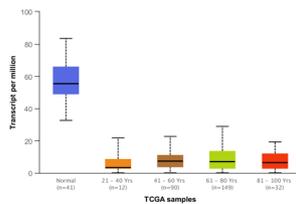

Expression of LRRC19 in COAD based on patient's gender

**D**

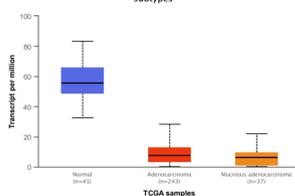

Expression of LRRC19 in COAD based on patient's weight

**E**

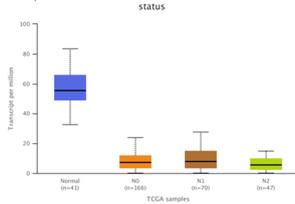

Expression of LRRC19 in COAD based on patient's age

**F**

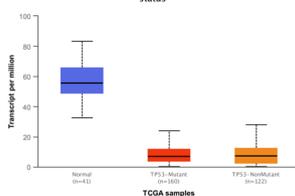

Expression of LRRC19 in COAD based on histological subtypes

**G**

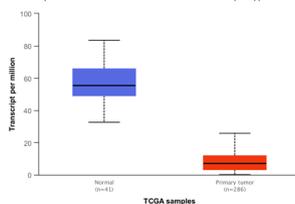

Expression of LRRC19 in COAD based on nodal metastasis status

**H**

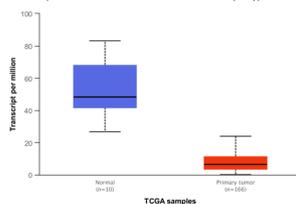

Expression of LRRC19 in COAD based on TP53 mutation status

**I**

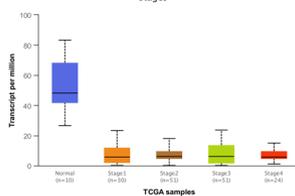

Expression of LRRC19 in COAD based on Sample types

**J**

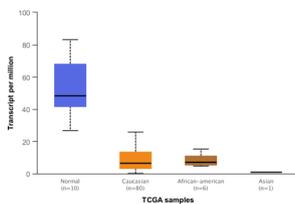

Expression of LRRC19 in READ based on Sample types

**K**

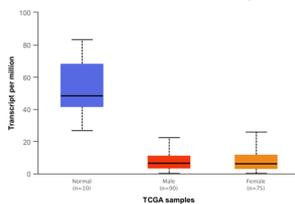

Expression of LRRC19 in READ based on individual cancer stages

**L**

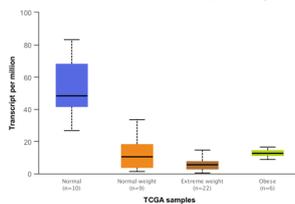

Expression of LRRC19 in READ based on patient's race

**M**

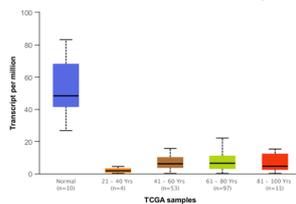

Expression of LRRC19 in READ based on patient's gender

**N**

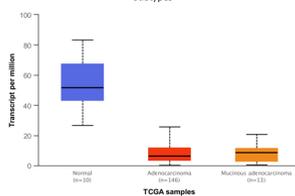

Expression of LRRC19 in READ based on patient's weight

**O**

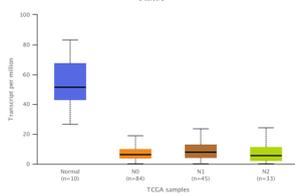

Expression of LRRC19 in READ based on patient's age

**P**

Expression of LRRC19 in READ based on histological subtypes

**Q**

Expression of LRRC19 in READ based on nodal metastasis status

**R**

Expression of LRRC19 in READ based on TP53 mutation status
