In the article titled “Astigmatism Associated with Allergic Conjunctivitis in Urban School Children” [1], there was an error in Figure 1. In Figure 1, the “S1/AQ1” and “S2/AQ2”

marks should be interchanged. The corrected figure is shown as follows.

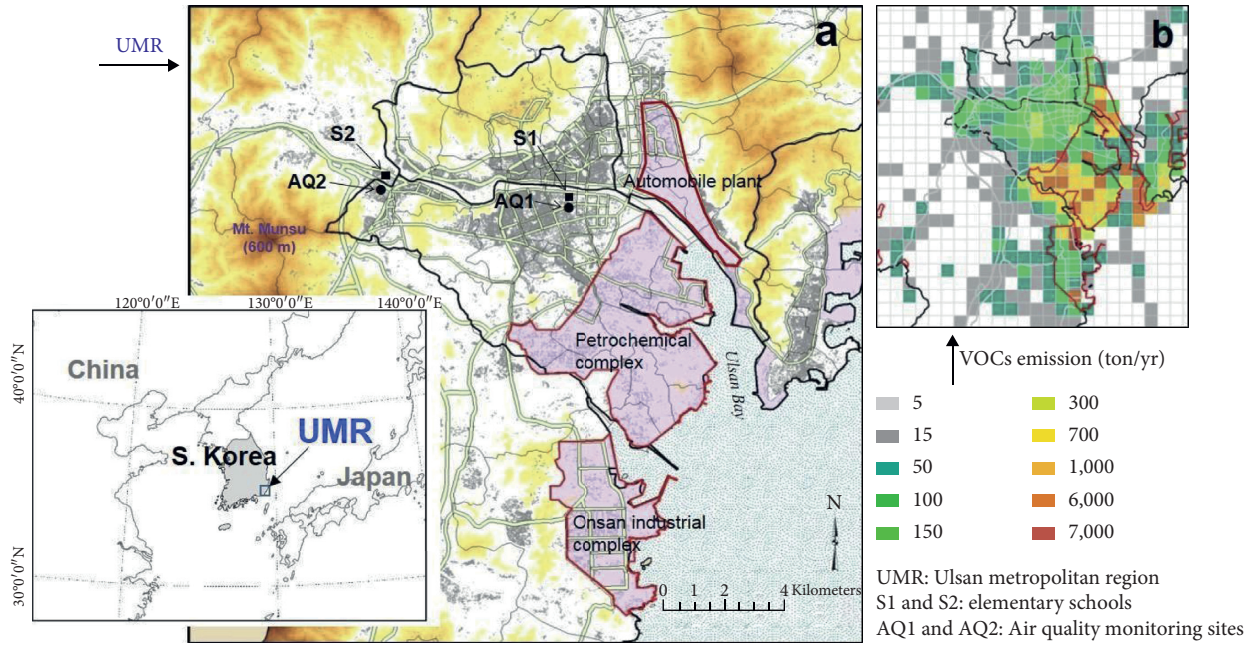

FIGURE 1: Map showing terrain in the Ulsan metropolitan region (UMR). (a) Industrial (light red shaded regions) and urbanized area (gray lines), two elementary schools (S1 and S2) for survey, and two air quality monitoring sites. (b) Distribution of VOCs emissions from Korean emissions inventory data of the 2015 Clean Air Policy Support System (CAPSS) (<http://airemiss.nier.go.kr/main/jsp>).
