In the article titled “The Inhibition of P-Selectin Reduced Severe Acute Lung Injury in Immunocompromised Mice” [1], the incorrect file for Figures 6(a) and 6(g) was used during the production process and the figure should be corrected as follows:

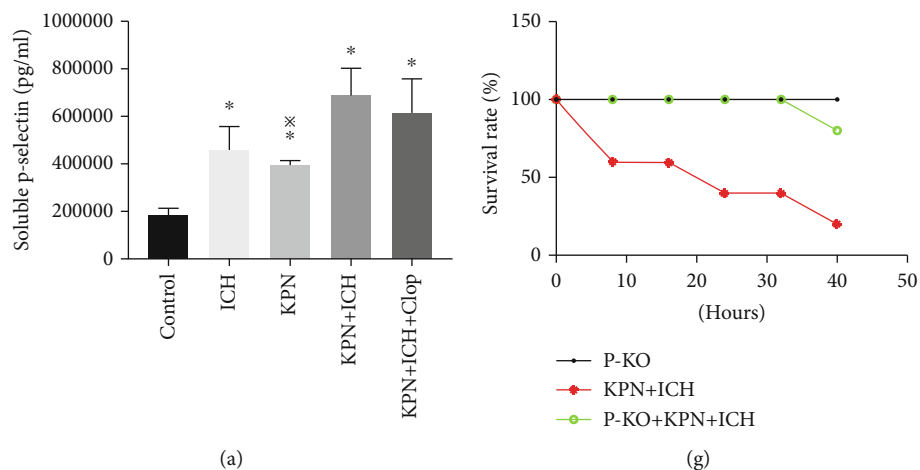

FIGURE 6: Knockout of p-selectin alleviates acute lung injury in ICH mice. (a) The expression of serum P-selectin in mice and (g) the survival curve of mice.
