In the article titled "Novel Insights into the Predictors of Obstructive Sleep Apnea Syndrome in Patients with Chronic Coronary Syndrome: Development of a Predicting Model" [1], several writing errors were made when drafting the article where "male" replaced the word "hypertension." Therefore, the following corrections have been made to the article:

- (i) In Section 3.2, "male" has been corrected to "hypertension"
- (ii) In Table 3, "male" has been corrected to "hypertension"
- (iii) In Section 3.3, "male sex" has been corrected to "hypertension"
- (iv) In the first paragraph of Discussion, "male" has been corrected to "hypertension"
- (v) In Conclusions, "male" has been corrected to "hypertension"
