Security and Communication Networks has retracted the article titled “Description of Quantum Mechanics as a Branch of Mathematical Physics That Deals with the Emission and Absorption of Energy by Matter” [1] due to concerns that the peer review process has been compromised.

Following an investigation conducted by the Hindawi Research Integrity team [2], significant concerns were identified with the peer reviewers assigned to this article; the investigation has concluded that the peer review process was compromised. We therefore can no longer trust the peer review process, and the article is being retracted with the agreement of the Chief Editor.

The author does not agree to the retraction.
